

An Informative & Inspiring gathering of the people, by the people, and for the people affected by Opioid Use Disorder

OCTOBER 5-7, 2021 - VIRTUAL EVENT

We're all aware of the devastating statistics surrounding Opioid Use Disorder and the Opioid Epidemic.

The goal of The People's Opioid Summit is to SAVE LIVES by providing critical education & solutions to everyday people who care about someone impacted by the Opioid Epidemic. This innovative event brings together caring & experienced professionals in a variety of fields to provide our attendees with real-world, actionable solutions, support, stories, and more.

With your help, we can provide valuable resources to those in need and save more lives.
